## Inter Class Competition Coin Collection

WOW! For those of you that haven't seen me on my hands and knees over the past 2 days, the coin competition was a major success and far surpassed my expectations!!!

The wall paper measuring aid that I made, quickly turned out to be a poor tool for the job, as it was glaringly apparent it was not going to be anywhere near enough after the first 5 minutes!!

Altogether, all 3 classes, collected a staggering **145 metres** of coins!! (which is about the length of 14 double decker buses!) Congratulations to everyone for taking part in this, and especially Class 2, who just managed to pip the other classes at the post. Due to the fact that it was so close, and so much effort was put in by all children (and parents) all children had an extended break today to say thank you for their efforts. THANK YOU TO EVERYONE FOR YOUR HELP ON THIS. Now all that's left, is for it to be counted!!

This money will be banked and I shall advise of a total after half term. Thank you, Cassie

## Strawberry Fair

Friday, 19th June 2015, 3.15pm—5.30pm

For Us, By Us, Help Us

Thank you to the parents that attended the recent Strawberry Fair meeting, and those that have since seen me/office offering your assistance. Although lots more information will be coming out after half term, these are a few of the things that we require assistance with to enable us to make the Fair a success for the children on the night.

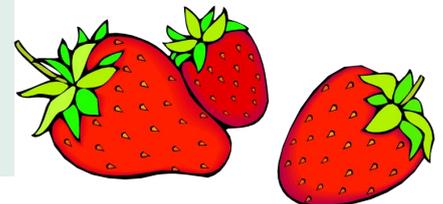

**Raffle:** Raffle tickets have now been distributed, please sell as many of these as possible. If you do not wish to participate please return unwanted books, so that these can be redistributed accordingly. Prizes are still coming in, but as well as the cash prizes, we also have Alton Towers Tickets, Shugborough Tickets, Hair cuts at Salons and Tobogganing, to name a few.

**Sweet Tombola:** Can you collect as many jam jar/ baby food jars as possible and bring them into the school office. Also for this stall we will be collecting sweets to fill these jars, so any donations would be greatly appreciated. (all jars will be put through the dishwasher)

**Bottle Stall:** Any donations of anything in bottles will also be greatly appreciated, these can be anything from bubble baths, bottles of juice or alcohol (please note: an appropriate adult will be manning this stall so if a minor wins an alcoholic prize, they will need to have an adult representative with them or they will be offered a substitute prize)

**Cake Stall:** This is always a popular stall, and last year we sold out very quickly, any donations of cakes, large or small, will be greatly received. More details of where to deliver these will be provided closer to the day.

## Strawberry Fair Competitions

**CAKE DECORATING:** The hugely popular cake decorating competition is back for this year, with all children invited to decorate 6 cakes, with the cakes being sold on the cake stall after the judging has taken place. Entry for this will remain at 50p, with prizes for each year group.

**FILL THE BOX:** This new game is open to all families. Boxes will be available from school on the Monday after half term. Entries will be £1, payable up front in order for you to get your box. The aim of the game is to fill it with as many different small items (non food)

**RULES:** Only 1 of the same item may be used, and items may not be collected inside of another. For everyone's first couple – A staple, A paperclip, A match box (but the first 2 items CANNOT be placed inside the third)

All items will need to be recorded as they are put in your box, and the family who claims to have the most will have their box validated. The winning family will win a family pass to a local attraction. Good luck and get collecting .
