School Games Day

Sadly the weather is not proving to be very kind in enabling the school to make a decision whether to go ahead on Friday 30th!

The outlook for Friday is

"A drier day on Friday, although rather cloudy at first. The skies will brighten through the afternoon though, accompanied by isolated showers for some"

So we are planning to go ahead with the event – please make sure your child has a waterproof coat and please bring an umbrella!!

If the forecast changes for the worst we may still have to postpone but fingers crossed!!

Creative Weeks – The Natural World

Next week we start our special Creative weeks on The Natural World. We have lots of exciting activities planned for the children who will work in their smaller house groups together rather than their class. The activities include minibeast making, cooking, science, design & technology, art and sewing.

Staff have been very busy planning and preparing for these weeks and have asked if you have any of the following spare items at home if you would mind donating them please:-

For A Bug Hotel

Strips of wood, straw, moss, old terracotta pots, old roofing tiles, old bricks, dry leaves, woodchips, bark, sand, soil, hollow bamboo canes

For Art Activities linked to the artist Goldsworthy
Branches with different coloured leaves, stones (different sizes), sand, peat or compost, twigs (various sizes), leaves (any colour)

If any parents/grandparents have a spare hour to come in and work alongside the children on the following days, we would be very grateful:-

Mon 3rd, Thurs 6th, Tues 11th, Wed 12th or Thurs 13th.

Class 1

Miss Kirk has confirmed that she is returning to work in July. She has requested to return on less hours and so from September she will be working Mondays, Tuesdays, Wednesdays and then Thursday morning. Mrs Kenny will be the class teacher on Thursdays and Fridays.

Mrs Collier's last day in school will be on Tuesday 4th July. I am sure that all parents will join the staff in expressing our deep gratitude for covering Miss Kirk's absence. Mrs Collier has been a fabulous class teacher since January and we are all sad to be saying good-bye. We wish her all the very best for the future and THANK-YOU for caring and teaching for our younger children so well!
