

Dear Parent/Helper,

To continue on our quest to promote the love of reading throughout our school we are setting you and your child a reading challenge!

As you may realise a daily reading habit is crucial to develop with your child from an early age, this will nurture not only the skills to become a competent reader but reading stamina and a love of books.

So our challenge is for your child to read with an adult at home every day or as often as possible. Each time you read with your child you need to sign and date one of the boxes on your challenge bookmark. Once this is full your child needs to give it to their teacher who will enter it into a prize draw. Your child can then start another book mark and once again this can be filled and entered into our prize draw!

The date of next prize draw is: Friday 7th April 2017 - during the Easter Service, the winner of the draw can choose a book or a craft activity pack from our Spring Term Collection.

The more book marks you enter the more chances you have to win!!

Dear Parents and Reading Helpers. Please listen to me read and then date and sign the box every time I read with you. When I have read for five days I get to go into a prize draw! Thank you for helping me to become a better reader.
