

The Quiet Garden Movement

All Saints is now part of the Quiet Garden Movement

The Quiet Garden Movement nurtures access to outdoor space for prayer and reflection in a variety of settings, such as private homes, churches, retreat centres, schools and hospitals – and creates opportunities for people to experience silence, restfulness and contemplative practices. There are over 300 Quiet Gardens worldwide.

The Quiet Garden Movement flows from the example of Jesus's withdrawal to natural places to pray and his invitation to, 'Come with me by yourselves to a quiet place and get some rest' (St Mark's Gospel 6.31). If Jesus regularly and consistently needed such space to just 'be', then so do we.

Obviously the churchyard is open all the time, but we are also planning some summer refreshment days in August. Check out the Quiet Garden Movement website.
