SCHOOL GATES

Please could all parents refrain from using the school main entrance when bringing and collecting your children. This is a staff, visitor and disabled access only. All parents are reminded to use the side gate in order to ensure the safety of your children. Please ensure that Grandparents know too. Thank-you

Parent's Evening

Please accept our apologies for the postponement of Parent's Evening, this has been re-arranged for Thursday 19th April. All times will stand - please let us know if these need to be changed.

Nut Allergy

A polite reminder that we do have children in school that have severe allergies to nuts. Please make sure that any food that is sent into school is completely nut free and has not been made in a factory that uses nuts.

Sport's Relief

The children value this half term is *Perseverance* and they have been learning about some of the challenges a range of personalities from radio and TV have been completing for Sport Relief. The School Council decided that they would like to support this charity event and so we will hold a non -uniform day on Wednesday 21st March with a minimum donation of £1 and all donations will go to Sport Relief.

Sea Life Visit

The reception children will visit the Sea Life Centre on Thursday next week. There will be no nursery session on this day. The children will need to wear school uniform and will leave school promptly at 9.05am and return for 3.15pm.
