

# Sports Premium Funding 2017 -18

## Sport Premium Funding Budget

---

### Summary of Sports Premium Spending 2017-18

#### In our school we are using this funding in the following ways:-

- Increase the range of different competitive sports our children participate in
- To buy in a specialist coach to lead PE lessons and support, develop and up-skill the support staff through Burton Albion Community Trust
- To increase the diversity and range of additional clubs which will strengthen and embed the skills taught in the curriculum
- To embed the lunchtime games and sports offered including training our Young Leaders
- To provide the transportation to attend sporting competitions and festivals
- To provide an extended weekly swimming lessons for all pupils in Y1, Y2, Y3 Y4 (Did not take place due to issues at the pool)

---

### Impact of Sports Premium Spending 2017 -18

- Sainsburys School Game Gold Award achieved 2016 – 17 and silver 2017 – 18 (Due to a reduction in availability of competition)
- Continued full participation in inter-school competitions – 100% of KS2 pupils continued to participate in a range of tournaments and in addition
- Specialist coaching has brought in high quality and more varied PE curriculum
- PLT has attended termly network meetings with all schools and CPD opportunities with East Staff School Sports Partnership
- Maintenance of 2 hours of timetabled physical activity per week with additional activities offered after school and at lunchtime
- Sports Council who organise and report on sporting events.
